ROBBERY CASE IS CONTINUED UNTIL MONDAY MORNING

Trial of Sam Elashik and Ely Smolochick in circuit court on charges of burglary and larceny has been continued until Monday and the jury excused until that time. Serious illness of Attorney William Allen's father caused Judge W. T. Church to postpone taking of evidence in order to permit Mr. Allen, who is defending the two men, to go to the bedside.

Motion for a new trial for Edward Radola, recently convicted of the theft of an automobile, was scheduled to be made before Judge Church this afternoon.

FIRST ASSEMBLY OF ZIONISTS IN OLD JERUSALEM

New York.—The first Jewish constituent assembly of Palestine convened in Jerusalem recently according to advice received at the headquarters here of the Zionist organization of America.

Although the labor element in the assembly has a majority, no ultra-radical legislation is expected, the advice stated, the National Radical party being moderate and the "capitalist" group favoring modern social innovations. Women delegates took their seats notwithstanding orthodox protests, the advice added. The assembly has the sanction of Sir Herbert Samuel, British high commissioner to Palestine.

Women Vote.
In the elections held last April not only did many women vote but several were elected as dele-

gates, including two from Polish firms, chief Jewish agricultural settlements in Palestine.

The National Radical party, according to the Zionist organization, favors development of cooperative societies as well as encouragement

of private initiative. The "Ezra" or "capitalist" group, favors profit sharing and other modern social innovations. All parties recognize the sovereignty of the Zionist organization, it is said, some even proposing that it shall have veto

power over all legislation adopted by the assembly.

WILL IS PROBATED.
All property, both personal and real of the late Wilhelm Kroeger of

Rock Island is bequeathed to Rosa Kroeger, daughter, under the terms of the will, probated by Judge Lande today. The instrument dated Aug. 15, 1917. Mrs. Kroeger is appointed executrix.
